

LocDown™ School Security Solutions

A Lifetime of Safety for All Educational Buildings & Doors

To help create safer K-12 schools and campuses, Marks USA created LocDown™ security mechanical locking solutions for every educational building, door, application and budget. Marks' innovative LocDown™ Classroom Intruder Locksets easily and economically retrofit any standard lock, but in an emergency, allow the teacher to lock it down with a simple key, safely from inside the classroom without having to step foot into the hall or in harms way. Available in cylindrical or mortise lock styles with exclusive Marks Lifetime Mechanical Warranty.

- **Allows teachers to lock it down with a simple key, safely from inside the classroom** without having to step foot into the hall
- **Lockdown indicator** gives visual confirmation for added peace of mind
- **Retrofit any standard lock** easily & economically
- Cylindrical or mortise lock styles
- Meet or exceed ANSI/BHMA Grade 1 specifications
- Marks Lifetime Mechanical Warranty

Used in leading campuses and some of the largest school districts in America
